

Abdullah Aydın

Prof. Dr., Turkey

Abdullah Aydın is an Professor of Science/Chemistry Education at Kırşehir Ahi Evran University, Turkey. He received his Master's in Analytical Chemistry from Uludağ University in 1995. He received his Ph.D. in science / chemistry education from Gazi University in 2004. He is a member of the editorial team of **74 international journals (disciplinary and interdisciplinary)**. He has **11 excellence awards [Excellence in reviewing]**. He has **outstanding contribution award [Journal of Cleaner Prudiction - ELSEVIER]**. He has **committee memberships (*SciTech Nanosciences 2019 & Nanotech-2021 & GECAET-22 & Material Science 2024 & Functional Materials 2024*)**. He has national [Ahi Evran University, "Academic Performance Award", The Scientific and Technological Research Council of Turkey, "Broadcast award"], and international [VDGOOD Technology Factory, "Lifetime Achievement Award"] awards. He has scientific memberships ESERA, IJDS, ACSE, Turkish Chemical Society, VDGGOOD Technology Factory. The focus of his research is the Analytical Chemistry, trace element analysis, materials and processes, disciplinary and interdisciplinary.
